

POSITIVO L300

THE MARKET'S FAVORITE SMARTPOS.

Positivo Technology: Leadership in Payment Solutions

Founded in 1989, Positivo Technology is one of the largest Brazilian companies in the technology sector, offering a wide range of products and services, from computers to electronic security solutions and educational technologies. Headquartered in Curitiba (PR), with offices in São Paulo (SP) and factories in Ilhéus (BA) and Manaus (AM), its presence extends internationally to countries such as Argentina, Kenya, Rwanda, China, and Taiwan, with brands such as Positivo, Positivo Casa Inteligente, Positivo Servers & Solutions, PositivoSEG, VAIO, Infinix, and Educacional - Technology and Innovation Ecosystem.

A leader in the Brazilian SmartPOS market, Positivo Payment Solutions is distinguished by its innovation and focus on solutions that simplify clients' businesses. Its success is driven by the application of advanced knowledge, especially in the development of Android devices adapted to market demands, ensuring high performance and functionality.

Furthermore, the company demonstrates competence in manufacturing electronic devices aligned with global trends, understanding local demands. These strategies consolidate Positivo Technology as a market reference, providing innovative and quality solutions that meet customer needs and set trends in the global payment technology landscape.

Line L

- A complete, sophisticated, and technological solution for modern businesses. With its versatility and cutting-edge functionality, it meets the varied demands of commerce. Ideal for accepting multiple payment methods, it stands out for its elegance and performance in any environment.

L300

THE MARKET'S FAVORITE SMARTPOS.

- With all the essential functionalities for a payment machine, the L300 stands out as the ultimate choice, offering the most complete experience in the market.
- With over 3 years in the market, the L300 is the reliable choice, having been tested and approved in various scenarios, including by industry experts. Its quality and performance speak for themselves.
- Certified with the main capture solutions in the Brazilian market and integrated into various partnership programs of acquirers, the L300 is the ideal choice to boost your business, whether you are an acquirer, sub-acquirer, or SW house.
- Equipped with a physical keyboard, audio jack input, and talk back functionality, the L300 stands out as the most accessible payment machine on the market, both for customers and sellers.
