## Positivo Tecnologia: Leadership in Payment Solutions

Founded in 1989, Positivo Tecnologia is one of the largest Brazilian companies in the technology sector, offering a wide range of products and services, from computers to electronic security solutions and educational technologies. Headquartered in Curitiba (PR), with offices in São Paulo (SP) and factories in Ilhéus (BA) and Manaus (AM), its presence extends internationally to countries such as Argentina, Kenya, Rwanda, China, and Taiwan, with brands such as Positivo, Positivo Casa Inteligente, Positivo Servers & Solutions, PositivoSEG, VAIO, Infinix, and Educacional - Technology and Innovation Ecosystem.

A leader in the Brazilian SmartPOS market, Positivo Soluções em Pagamentos is distinguished by its innovation and focus on solutions that simplify clients' businesses. Its success is driven by the application of advanced knowledge, especially in the development of Android devices adapted to market demands, ensuring high performance and functionality.

Furthermore, the company demonstrates competence in manufacturing electronic devices aligned with global trends, understanding local demands. These strategies consolidate Positivo Technology as a market reference, providing innovative and quality solutions that meet customer needs and set trends in the global payment technology landscape.

### Line TUPI

- Get ready to revolutionize your business! The new generation of Positivo pinpads is set to transform the commercial automation market. With a modern, seamless, and integrated experience, this product line brings the future of transactions to the present, offering solutions that go beyond simple payments—delivering innovation, security, and convenience for your daily operations. From QR codes to facial recognition, every detail has been designed to streamline your work and impress your customers.
