

POSITIVO L200

A SOLUTION, MULTIPLE APPLICATIONS

Positivo Technology: Leadership in Payment Solutions

Founded in 1989, Positivo Tecnologia is one of the largest Brazilian companies in the technology sector, offering a wide range of products and services, from computers to electronic security solutions and educational technologies. Headquartered in Curitiba (PR), with offices in São Paulo (SP) and factories in Ilhéus (BA) and Manaus (AM), its presence extends internationally to countries such as Argentina, Kenya, Rwanda, China, and Taiwan, with brands such as Positivo, Positivo Casa Inteligente, Positivo Servers & Solutions, PositivoSEG, VAIO, Infinix, and Educacional - Technology and Innovation Ecosystem.

A leader in the Brazilian SmartPOS market, Positivo Soluções em Pagamentos is distinguished by its innovation and focus on solutions that simplify clients' businesses. Its success is driven by the application of advanced knowledge, especially in the development of Android devices adapted to market demands, ensuring high performance and functionality.

Furthermore, the company demonstrates competence in manufacturing electronic devices aligned with global trends, understanding local demands. These strategies consolidate Positivo Technology as a market reference, providing innovative and quality solutions that meet customer needs and set trends in the global payment technology landscape.

Line L

- A complete, sophisticated, and technological solution for modern businesses. With its versatility and cutting-edge functionality, it meets the varied demands of commerce. Ideal for accepting multiple payment methods, it stands out for its elegance and performance in any environment.

L200

A SOLUTION, MULTIPLE APPLICATIONS

- The Positivo L200 is excellent for table payments, queues, mobile checkout, QR Code payments, and even for integration with TEF systems.
- With PCI PTS 5.x and EMV certifications, it provides greater security in financial transactions.
- The Positivo L200 offers payment options via magnetic reader, chip, NFC, and QR Code, minimizing the chances of lost sales.
- The Positivo L200 features Bluetooth 5.0, Dual Band Wi-Fi, and 4G connectivity, enhancing connectivity levels.

ITEM	CONTENT
