

POSITIVO D300

THE SMARTPOS THAT
FITS IN THE PALM
OF YOUR HAND.

Positivo Tecnologia: Leadership in Payment Solutions

Founded in 1989, **Positivo Tecnologia** is one of the largest Brazilian companies in the technology sector, offering a wide range of products and services, from computers to electronic security solutions and educational technologies. Headquartered in Curitiba (PR), with offices in São Paulo (SP) and factories in Ilhéus (BA) and Manaus (AM), its presence extends internationally to countries such as Argentina, Kenya, Rwanda, China, and Taiwan, with brands such as Positivo, Positivo Casa Inteligente, Positivo Servers & Solutions, PositivoSEG, VAIO, Infinix, and Educacional - Technology and Innovation Ecosystem.

A leader in the Brazilian SmartPOS market, Positivo Soluções em Pagamentos is distinguished by its innovation and focus on solutions that simplify clients' businesses. Its success is driven by the application of advanced knowledge, especially in the development of Android devices adapted to market demands, ensuring high performance and functionality.

Furthermore, the company demonstrates competence in manufacturing electronic devices aligned with global trends, understanding local demands. These strategies consolidate Positivo Technology as a market reference, providing innovative and **quality solutions that meet customer needs and set trends in the global payment technology landscape.**

Line D

- Low cost and compact, perfect for anyone looking for efficient solutions without compromising budget or space. With intelligent design and optimized functionality, our line offers practicality and performance in a compact format that adapts perfectly to any environment.

D300

THE SMARTPOS THAT FITS
IN THE PALM OF YOUR HAND.

- Compact, the D300 offers maximum portability and saves space, ensuring ease of use in any environment.
- Open the doors of innovation with our low-cost Android product, offering hassle-free access to cutting-edge technology at an irresistible price.
- Equipped with a physical keyboard, audio jack input and talk back functionality, the D300 stands out as the accessible payment machine for both customers and sellers.
